Dedication

Mrs. Emily Gibbs

It is with great pleasure that we, the Class of 1982, proudly dedicate our Yearbook to Mrs. Emily Gibbs, head librarian at the Resource Center.

During our four years at Naugatuck High School, Mrs. Gibbs has always been there to lend a helping hand, whether we needed books for term papers, magazines for Advanced Biology, suggestions for Literature reports or help in running something off on the copy machine for next class. She is there for us too when we just need someone to talk to. She is always patient and understanding, a real inspiration and a truly great lady.

All any of us can really say is, "Thank you so much, Mrs. Gibbs, for everything."

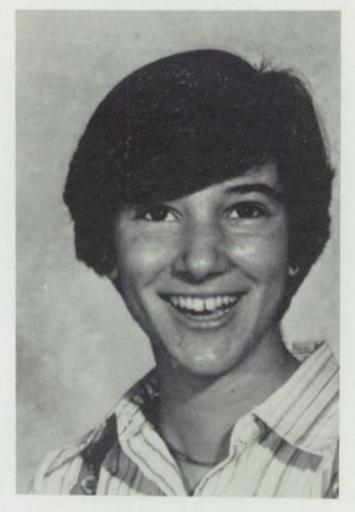

Mr. John Howard Whittemore

"Man, unlike any other organic or inorganic animal in the universe, grows beyond his work, walks up the stairs of his concepts, emerges ahead of his accomplishments."

John Ernest Steinbeck

In Memoriam

Lori Ann Sunbury

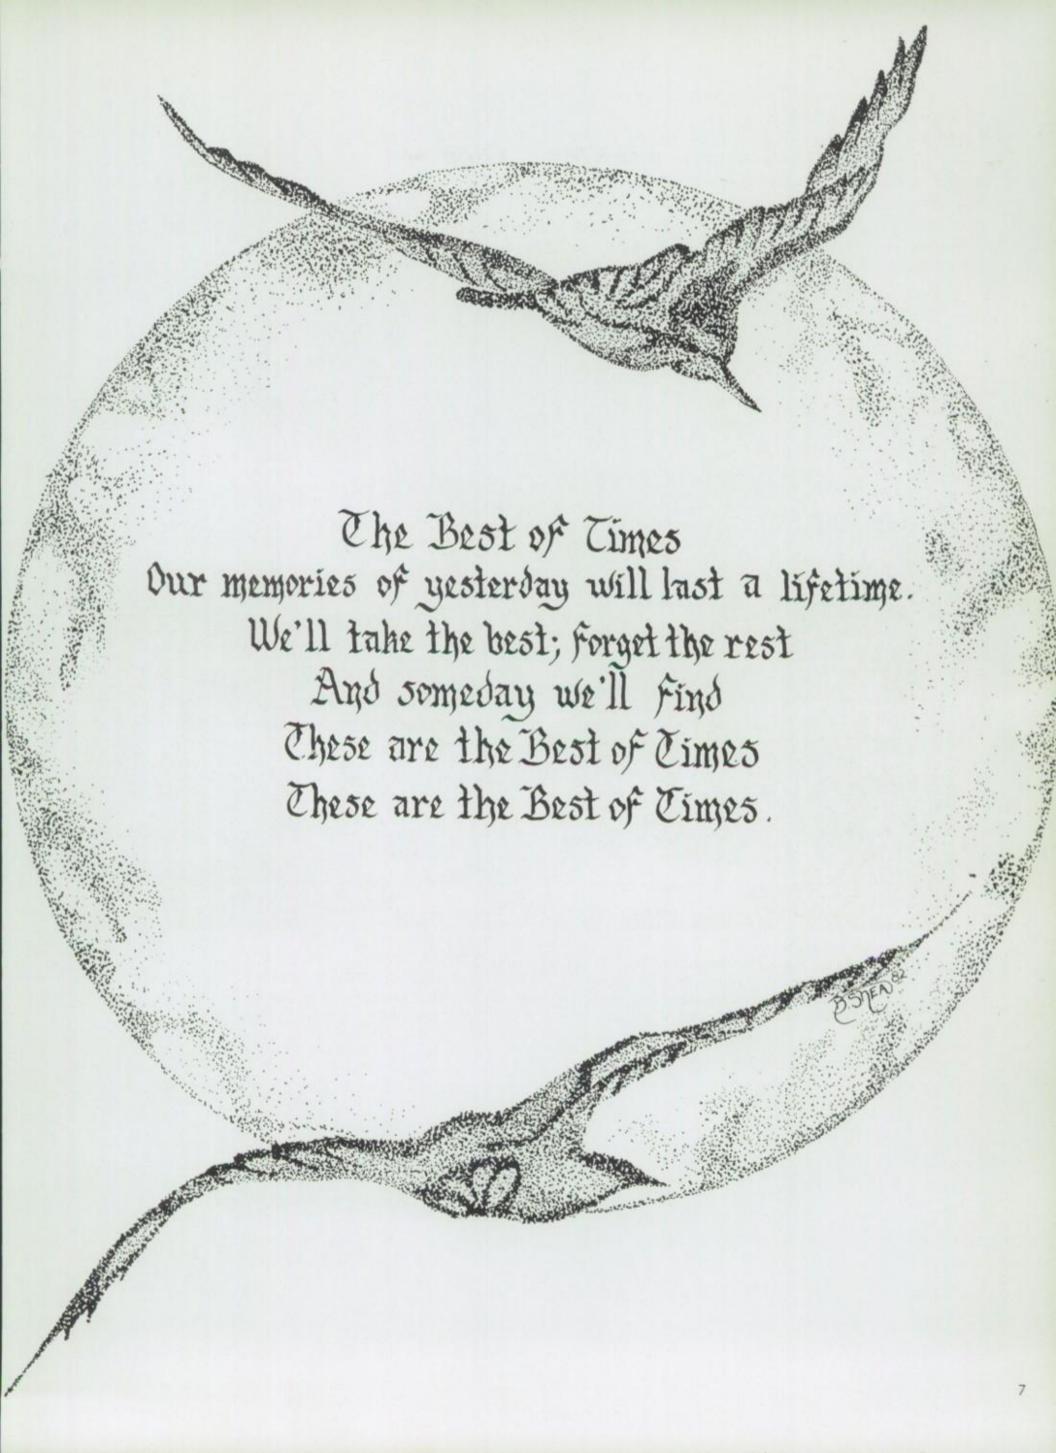

"Remembrance is the only Paradise out of which we can not be driven."

On November 16th, 1979, Lori Ann Sunbury was taken from this earth. Though she is gone now, Lori was and always will be in our hearts. Her friends and family, who miss her dearly, may find themselves asking, "Why?" The answer lies in our prayers, "Thy Kingdom come, Thy will be done."

September 5, 1978
People say the four high school years are the best times of your life. As freshmen, frightened and unsure, we started to discover, as we had hoped, that this was true. We have found, much to our expectations, that yes, "these are the best of times."

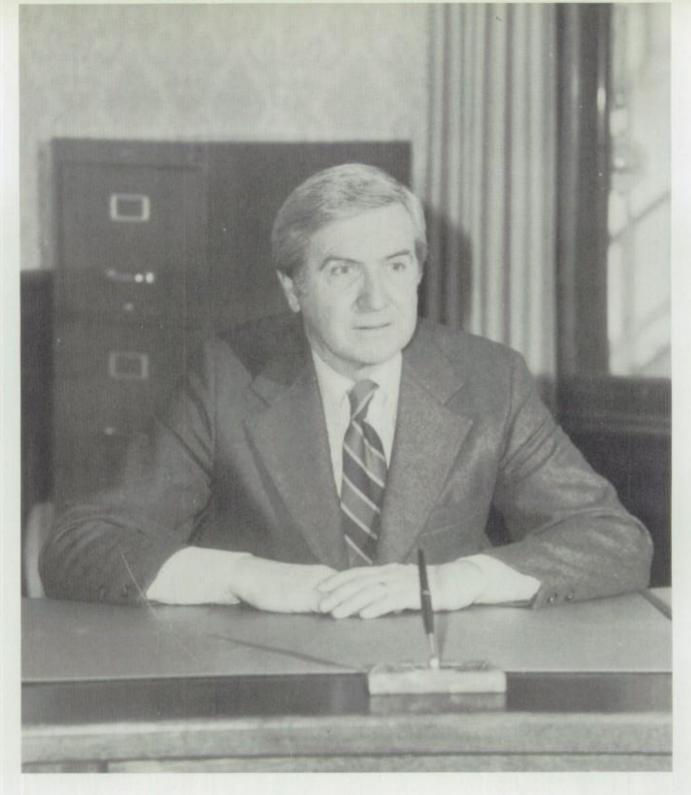

Raymond E. Dowling

TO THE GRADUATES OF THE CLASS OF 1982:

The entire school staff joins me in congratulating each graduate upon successfully completing the required high school program.

Progress is impossible without change; therefore, you must continue to learn, exerting your best efforts in order to keep abreast of the current times in your chosen field. With this knowledge you will grow mentally, morally, and socially.

Best wishes for success in your future endeavors, and may your lives be touched with life's richest blessings as you prepare for the future.

Raymond E. Dowling Superintendent of Schools

Richard G. Leonard, Principal

To the Class of 1982:

I am most happy to extend my personal congratulations and the best wishes of the entire faculty to our latest group of successful seniors who have completed the requirements for a diploma of graduation. Four years have passed swiftly and we share many fond memories of your many scholastic, athletic and social events. You have experienced the Freshman House, the Sophomore House and finally the Junior-Senior House. We now look forward to your future success in college, in industry and in the world beyond high school.

We hope sincerely that your memories of us are as pleasant and satisfying as the memories we have of you. We say hail and farewell to a cherished group of outstanding young people who will

contribute much to Naugatuck and the world around us.

Richard G. Leonard Principal

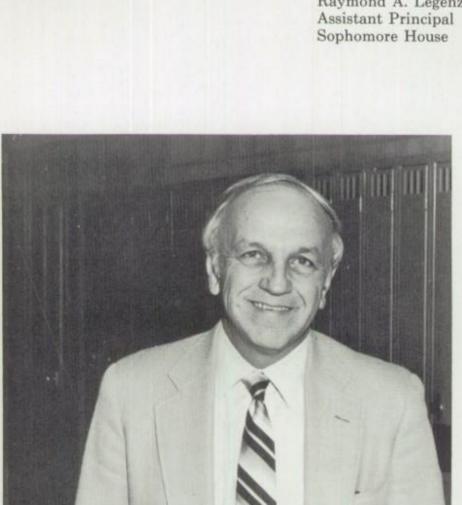

Charles E. Triano

To the Class of 1982:

Congratulations on the successful completion of your schooling at Naugatuck High School. You have collectively and individually achieved many successes. These successes include academic achievements and numerous other achievements of merit. As most of us will agree that success is temporary, we remind you that the future brings many additional opportunities for success.

The Sophomore House Faculty and Staff wish you continued success and happiness throughout your lives.

> Raymond A. Legenza Assistant Principal Sophomore House

To The Class of 1982:

Congratulations on being the 84th graduating class of Naugatuck High School. This is an important milestone in your life. I feel certain that the knowledge and experiences that you gained during the past four years will equip you for the future.

Your generation has great potential, limited only by the bounds of your imagination. Whatever your aspirations may be, I wish each of you good fortune, great success and complete happiness in the years to come.

> Charles E. Triano Assistant Principal

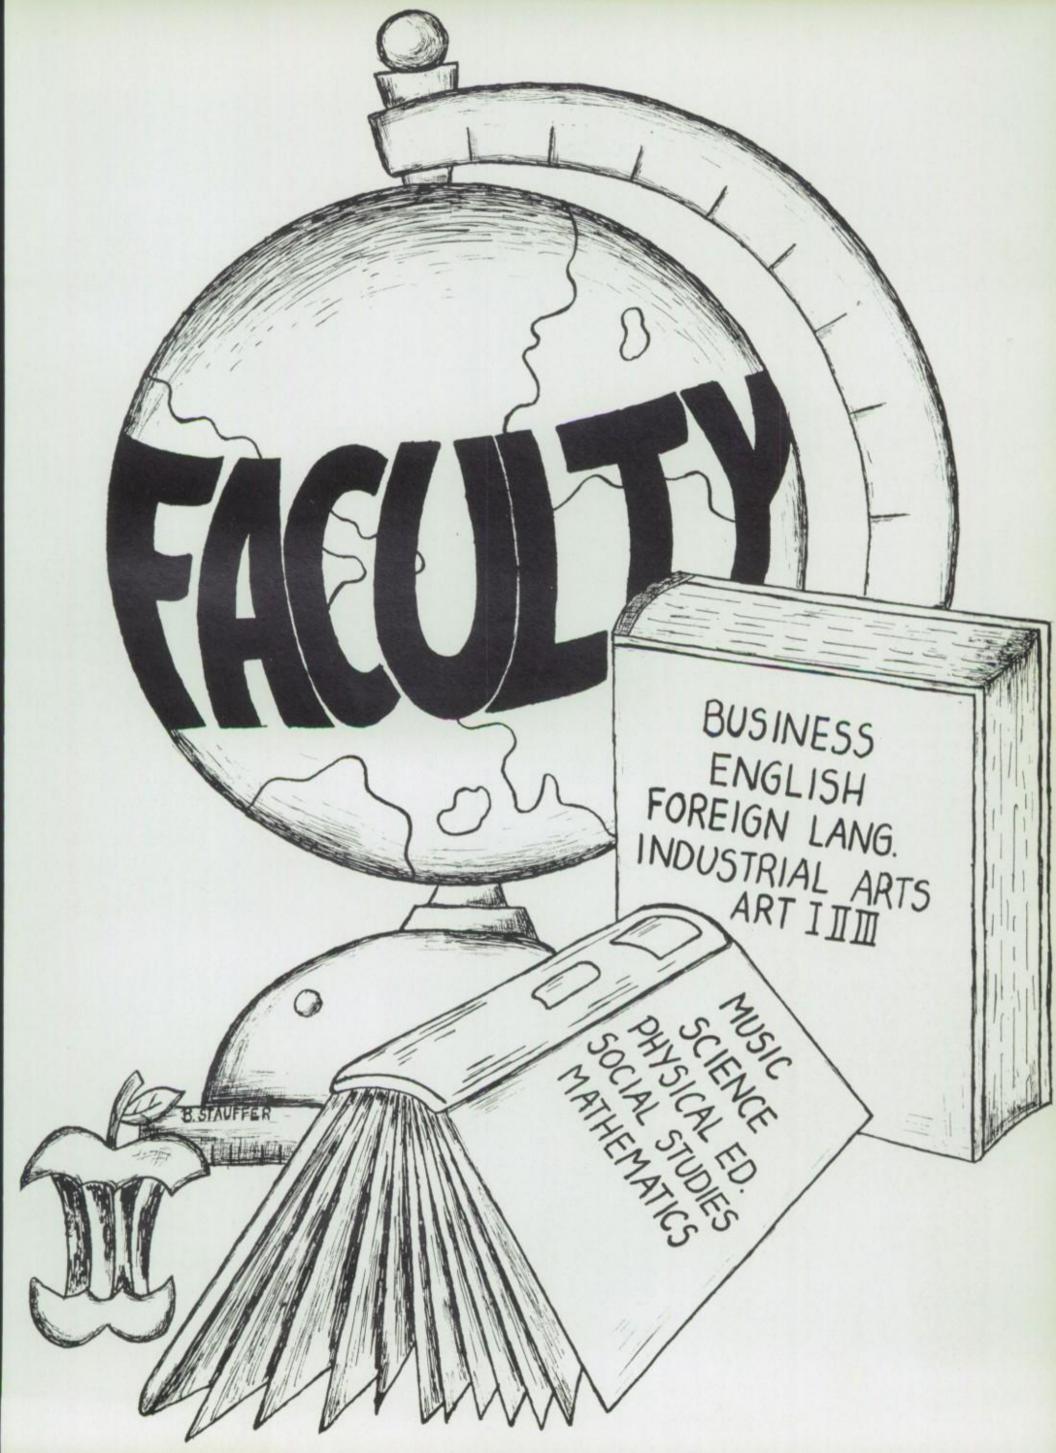

To the members of the Class of 1982:

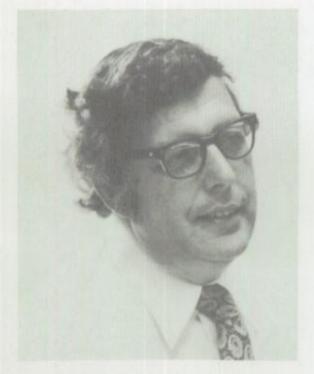

I extend my congratulations on the completion of your high school course of study.

I feel that the past four years at Naugatuck High School were good years for you, and that the knowledge that you received and the maturity that you reached, have prepared you for the years that lay ahead.

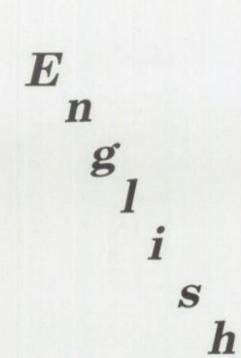

May God bless each of you with many years of happiness.

Volleyball

2nd in State!

This year's Volleyball Team recorded 53 regular season victories and 94 consecutive Naugatuck Valley League wins. There are five seniors on the varsity team: Co-Captains Barbara Stauffer and Cathy Anderson, Diane Marcisz, Lori Mancini and Lisa Cuccuru. These Seniors were freshmen when the Garnettes won their last volleyball title in 1978, playing in the Class M tournament. Since 1975, when the Naugatuck team began its varsity program, they have notched an impressive 109 wins against just six losses.

The Garnettes went unbeaten this season with an 18-0 mark. They also eliminated Hamden, Staples and Maloney of Meriden from the CIAC Tournament. In the CIAC Class L State Championship the Garnettes came in second after dropping to Amity.

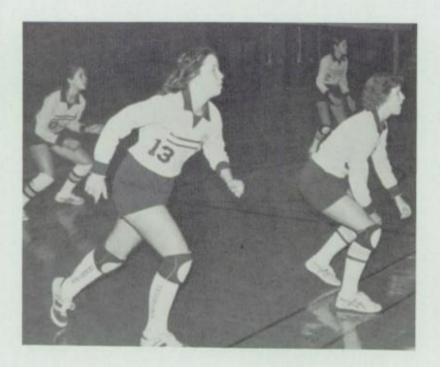

Congratulations Spikers on another winning season!
